Introduction on how to create a seller account

To begin the process of creating a seller account on Amazon you need to:

1. Go to the following website: sell.amazon.sa
2. Click on [[Sign up](#)]

The sell.amazon.sa website can give you access to lots of information that will help you to have better understanding of Amazon.

Here are some of the information that you can find:

- [Sell Online](#): This section contains general information on [how to start selling](#) and [what to sell on amazon](#). It also has a [beginner's guide](#), product listing guide, [selling costs](#), and [shipping and fulfillment](#) details.
- [Grow Your Business](#): This section contains information on how to grow and promote your business through the variety of services that we provide such as: [FBA](#), [Advertising on Amazon](#), [Deals and Coupons](#), and many more.
- [Fees and Pricing](#): This section contains information on the [selling fees overview](#) and [product category fees](#).
- [Learn](#): This section will give you access to the [seller university](#) library, the upcoming [webinars and events](#), and [FAQs](#).

Getting started is simple!

When you're creating a new seller account on Amazon, you need to add the following information:

1. Enter your name on the website.
2. Enter the email address that you want to use to register or if you have a customer account you can use it to create a seller account.
3. Enter a Password (note the Password must at least be 6 characters).
4. Re-enter your Password for confirmation purposes.
5. Enter the One Time Password (OTP) that we've sent you on your email to verify your email address.

Finally click on "Create your Amazon account" to complete your login information and move to the next step.

The screenshot displays the Amazon Seller Central registration interface, divided into two main sections: "Create account" and "Verify email address".

Create account section:

- amazon seller central** logo at the top.
- Create account** heading.
- Your name:** A text input field.
- Email:** A text input field.
- Password:** A text input field with a placeholder "At least 6 characters". Below it, a message states: "i Passwords must be at least 6 characters."
- Re-enter password:** A text input field.
- Next:** A yellow button.
- Already have an account?** A link labeled "Next" with a right-pointing arrow.

Verify email address section:

- Verify email address** heading.
- Text: "To verify your email, we've sent a One Time Password (OTP) to storemania5555@gmail.com". Below this is a link labeled "(Change)".
- Enter OTP:** A text input field.
- Create your Amazon account:** A yellow button.
- Text: "By creating an account, you agree to Amazon's Conditions of Use and Privacy Notice." Below this is a link labeled "Resend OTP".

Tell Us About Your Business

Welcome Page

The Welcome Page contains information on registering to sell on Amazon.sa, how the process works, and what are the information and documents that you need to prepare before registering to sell on Amazon.sa.

Business Information Page

The Business Information page is the page in which you share details about your business – such as your Business Location, Business Type (Individual, Privately owned business, State owned business, Publicly listed business, Charity).

Based on your business type you either enter your Business Name (used to register with your state or federal government), or in case of an Individual account you enter your (First, Middle and Last name). Individual accounts are for Saudi nationals only.

After adding the previous information, you need to click on the check box to confirm the information is correct and then click on 'Agree and Continue' to agree to the Amazon Services Business Solutions Agreement and Amazon's Privacy Notice.

The image displays two screenshots of the Amazon Seller Central Business Information page. The top screenshot shows the 'Business type' dropdown set to 'Publicly-listed business'. The bottom screenshot shows it set to 'None, I am an individual', with fields for First, Middle, and Last name. Both screenshots include a confirmation checkbox and an 'Agree and continue' button.

Business information

Business location

United Arab Emirates

If you don't have a business, enter your country of residence.

Business type

Publicly-listed business

Please ensure your business type selection is correct.
You have selected to register as a Publicly-listed business with shares listed on a stock exchange for public trading.
An incorrect selection may affect the status of your account.

Business Name, used to register with your state or federal government

BusinessName

☒ I confirm my business location and type are correct, and I understand that this information cannot be changed later.

By clicking on 'Agree and continue,' you agree to the Amazon Services Business Solutions Agreement and Amazon's Privacy Notice.
If you use the selling services offered in Amazon's stores other than in the European Union or United Kingdom, you also agree to the additional terms listed on the International Selling Agreements page with respect to those services.

FAQ

- What if my country is not listed?
- Why do I need to provide my 'Business Type'?
- Which stores am I registering in?
- Do I need to open an account for multiple stores at the same time?
- What are the terms and conditions I am agreeing to?

Business information

Business location

United Arab Emirates

If you don't have a business, enter your country of residence.

Business type

None, I am an individual

Please ensure your business type selection is correct.
An individual sells in a private context. An individual does not sell a product to a company / charity and does not operate in a business or professional context.
An incorrect selection may affect the status of your account.

First name Middle name(s) Last name

First name Middle name(s) Last name

☐ I confirm my business location and type are correct, and I understand that this information cannot be changed later.

By clicking on 'Agree and continue,' you agree to the Amazon Services Business Solutions Agreement and Amazon's Privacy Notice.
If you use the selling services offered in Amazon's stores other than in the European Union or United Kingdom, you also agree to the additional terms listed on the International Selling Agreements page with respect to those services.

Business Information Page

For Individual Sellers (Limited to KSA Nationals)

If you selected "Individual" on the Business Information page, you need to enter the following information:

1. First, Middle (optional), and Last name (as written in the ID).
2. Country of citizenship, Country of birth, and Date of birth.
3. Identity proof (KSA National ID).
4. Residential address (Country, Address Line, City/Town, Country/District).
5. Phone number: When entering your mobile phone number, make sure to choose the country of your cellular company, and based on the verification option of your choice you will either receive a phone call or an SMS to verify your phone number.

Then click on "Next".

The form is titled "Primary contact person information" and is divided into several sections:

- Name Section:** Includes input fields for "First name", "Middle name(s)", and "Last name". Below these is a note: "Enter your complete name, as it appears on the passport or ID".
- Country and Birth Section:** Includes a dropdown for "Country of citizenship", a dropdown for "Country of birth", and a "Date of birth" section with dropdowns for "Day", "Month", and "Year".
- Identity Section:** Includes a dropdown for "Identity proof" (with "National ID" selected) and a dropdown for "Country of issue" (with "Select Country" selected).
- Residential address Section:** Includes a dropdown for "Residential address" (with "United Arab Emirates" selected), input fields for "Address Line 1" and "Address Line 2", and dropdowns for "City / Town" and "Country / District".
- Verification Section:** Includes a "Receive PIN through" section with radio buttons for "SMS" (selected) and "Call". Below this is a "Phone number for verification" input field with a country code dropdown (showing "+971") and an "SMS verification language" dropdown (showing "English (United States)"). A "Send SMS" button is located to the right of the language dropdown.

A "Next" button is located at the bottom center of the form.

Seller Information Page

For Business Sellers

If you selected any of "Privately owned business, State owned business, Publicly listed business, Charity", then you need to enter the following information:

1. First, Middle (optional), and Last name (as written in the ID).
2. Country of citizenship, Country of birth, and Date of birth.
3. Identity proof (Passport, National ID or Residence ID), Country of issue, Passport, GCC national ID, or KSA Residents ID, and Date of expiry.
4. Confirm if primary contact person is: a beneficial owner of the business, or a legal representative of the business.
5. Confirm that you have added all the Beneficial owners of the Business.

Then click on "Next".

The screenshot displays a multi-step registration process for business sellers. At the top, a progress bar shows five steps: 1. Business information (completed), 2. Seller information (current step), 3. Billing, 4. Store, and 5. Verification. The 'Primary contact person information' section includes fields for First name, Middle name (optional), and Last name, with a note to enter the complete name as it appears on a passport or ID. Below these are dropdown menus for Country of citizenship and Country of birth, and a date of birth selector with City, Month, and Year options. The 'Residential address' section features a dropdown for the country (currently set to Saudi Arabia), followed by Address Line 1, State / Region, and County / District. To the right of these are fields for Address Line 2 and City / Town. A 'Phone number for verification' section includes a plus icon and a link to 'Add a new mobile number'. A confirmation section asks if the user is a beneficial owner or legal representative of the business, with checkboxes for 'Yes' and 'No'. Below this, a statement 'I have added all the Beneficial Owners of the Business.' is followed by 'Yes' and 'No' radio buttons. At the bottom, a checkbox confirms the user is acting on their own behalf or on behalf of the registered business and commits to updating ownership information. The form concludes with 'Previous' and 'Next' buttons.

Billing Information

Please add your credit card information (The credit card will be required as a payment method that will be used to charge you for any services you opt for) and click "Save" and then "Save and Continue".

Or

You can skip this step by clicking "Skip for now" if you don't have this information available - and you can add it later.

*Note that Debit cards are not accepted on Amazon.

The screenshot shows the 'amazon seller central' interface. At the top, a progress bar indicates four steps: 1. Seller information (completed with a checkmark), 2. Billing (current step), 3. Store, and 4. Verification. The main heading is 'Payment information' with a sub-heading 'Credit card details'. A light blue box titled 'Monthly Subscription Fee' contains text about skipping details for professional accounts in the UAE, Saudi Arabia, and Egypt, with a link to 'this page'. A 'Skip for now' link is to the right. Below this, there are input fields for 'Credit card number', 'Expires on' (with dropdowns for month '1' and year '2022'), and 'Card holder's name'. A 'Billing address' section shows a selected location 'AE, Dubai, Al Barsha 2' and a '+ Add a new address' link. At the bottom, there are 'Previous' and 'Next' buttons.

Store and Product Information

1. Store name (It refers to the Display name that will appear on the website and will be seen by the customers).
2. For product information, please confirm
 - I. If you have Universal Product Codes (UPCs) for all of your products.
 - II. If you are the manufacturer or brand owner (or agent or representative of the brand) for any of the products you want to sell on Amazon?

The screenshot shows the Amazon Seller Central onboarding interface. At the top, a dark blue header contains the 'amazon seller central' logo. Below the header is a progress bar with five steps: 'Business information' (checked), 'Seller information' (checked), 'Billing' (checked), 'Store' (current step, indicated by a circle with the number 4), and 'Verification' (indicated by a circle with the number 5). The main heading is 'Store and Product Information'. Below this, a subtext reads: 'Answer a few questions about your business so we can best assist you during onboarding. The answers you provide do not impact your ability to register for a selling account.' The form contains three main sections: 1. 'Store name' with a text input field containing 'testStoreNameforOrbis' and a green 'Available' status indicator. 2. A question 'Do you have Universal Product Codes (UPCs) for all your products?' with radio button options for 'Yes' and 'No' (selected). 3. A question 'Are you the manufacturer or brand owner (or agent or representative of the brand) for any of the products you want to sell on Amazon?' with radio button options for 'Yes', 'No' (selected), and 'Some of them'. At the bottom, there are two buttons: 'Previous' (disabled, light blue) and 'Next' (active, dark blue).

Identity Verification Documents

For Individual sellers (Limited to KSA Nationals)

For individual accounts, attach the following:

- A copy of the KSA National ID, that matches the information that you added in the previous step. Make sure to add the front side of the ID in the front side field and the back side of the ID in the back side field.
- A recent bank statement/credit card statement to verify your address. You can hide any confidential information such as transactions, as we need the statement only to verify the address of the owner of the account. Or you can upload a recent gas bill, telephone bill, or electricity bill.

Click on "Next"

Identity Verification Documents

For Business sellers

For Business accounts, you need to attach the following Documents:

- A copy of the National/Resident ID of the company's owner or the Legal representative.
- A clear copy of the business trade license in *.png, *.tiff, *.tif, *.jpg, *.jpeg, and *.pdf formats.
- If you are a legal representative of the company, attach the business trade license and Power of Attorney POA (a copy of the authorization certificate from the company) - both in one file in PDF form.

Click on "Next"

Account Activation

- Once you have added all the required information and uploaded all the needed documents, Amazon's Seller Identity Verification team will review all of the information and documents and this process usually takes 2 business days.
- You will receive an email within 2 business days, that will tell you about the status of your application. Please make sure to check your inbox within the mentioned period.
- In case of rejection check the email you have received then login to your account through Seller Central, and make sure to fix the mentioned rejection reasons.
- For any inquiries or additional information, make sure to contact the seller support through the "[Get Support](#)" option at the bottom of the screen.

**Congratulations on completing your
seller account in Amazon.sa**

Introduction to Seller Central and Getting Started

Seller Central

(online & mobile)

Once you complete the registration as an Amazon Seller and verify your identity, you'll have access to your own Seller Central account.

[Seller Central](#) is the source for everything related to selling on Amazon. This is the main Dashboard for your account, in which you can find all the tools and widgets to help you to manage your account. Here you will be able to create listings, manage orders, corresponds with buyers, get information about your performance as a seller, and more.

The screenshot displays the Amazon Seller Central dashboard. At the top, the header includes the 'amazon sellercentral' logo, a user identifier 'MFDtest', a dropdown menu for the region 'www.amazon.ae - MFDtes', a language selector set to 'English', a search bar, and links for 'Messages', 'Help', and 'Settings'. Below the header is a navigation bar with tabs for 'Catalog', 'Inventory', 'Pricing', 'Orders', 'Advertising', 'Stores', 'Reports', 'Performance', 'Apps & Services', and 'B2B'. The main dashboard area features a row of six summary cards: 'MARKETPLACES' with a value of 1, 'OPEN ORDERS' with 0, 'TODAY'S SALES' at AED 0.00, 'BUYER MESSAGES' at 0, 'BUY BOX WINS' at --, and 'TOTAL BALANCE' at AED 0.00. A teal banner below these cards reads 'Read the latest COVID-19 related announcements >'. The dashboard is organized into five columns: 'News' (listing updates from Sep 1, Aug 31, and Aug 25, 2020), 'Seller Poll' (a survey about preferred selling channels with radio button options), 'Seller Forums' (a post about product listings from Sep 3, 2020), 'Tutorials and training' (a link to 'Visit Seller University' with an image of a person at a computer), and 'List Globally' (a link to 'Manage International Listings' with a world map image).

Top Things to Check After Your Seller Account is Activated

1. **Seller Account Information:** here you can update your:
 - Bank account information
 - Business information
 - Shipping and returns information
 - Vacation settings
2. **Login Settings:** Here you can update or change your Login credentials.
3. **Your Info & Policies:** Here you can customize pages about your business.
4. **Fulfillment by Amazon Settings:** Here you can edit the Inbound settings and the Products support settings.

Account Info

Account info is an option that will help you to update the following information:

1. Payment Information: In here you can update your Deposit Methods (Bank Statement), Charge Methods (Credit Card), Charge Methods for Advertising (Alternate Credit card for advertising services)
2. Business Information: In here you can update any information related to your business like: Business Address, Display Name (Store Name), etc.
3. Shipping Settings: here you can update your Shipping settings, Easy Ship shipping settings

Vacation Settings

- If you are unable to fulfill orders for any reason (for example, family emergency, inclement weather, going on holiday or vacation, and so on), you can change your Listings Status to Inactive. This will remove all of your listings from Amazon product detail pages and search results within one hour. If you have any Fulfillment by Amazon listings, they will remain active on Amazon.
- You can still create and edit listings while your listings are Inactive. Additions and changes will be reflected on Amazon when you change your Listings Status back to Active.
- When you are ready to sell again, change your Listings Status back to Active, and your listings will reappear within one hour.

Listings Status	Going on a vacation?
Current Status of Listings:	Inactive (Listings not available for sale on Amazon)

Login Settings

Login Settings: if you wish to change your login credentials like the email or password, you can go to settings- Login settings and update the information from there.

*Note: if you forgot your password, you can click on the forgot your password option, and then in the password assistance page you can enter the email address or mobile number associated with your account and you will receive a code that you can enter to reset the password.

The image displays two overlapping screenshots from the Amazon Seller Central interface. The top screenshot shows the 'Login & security' settings page, which includes fields for Name, Email, Mobile Phone Number, Password, and Two-Step Verification (2SV) Settings, each with an 'Edit' button. The bottom screenshot shows the 'Password assistance' page, which prompts the user to enter their email address or mobile phone number associated with their Amazon account, followed by a 'Continue' button. A small 'Password' label is visible on the left side of the bottom screenshot.
